Sir:

Enclosed is a Certificate of Correction submitted under the provisions of 35 U.S.C. §254, to correct errors of the Patent and Trademark Office in the printing of the above-identified U.S. Patent.

While this error is not of a serious enough nature to warrant a Certificate of Correction, the patentees nevertheless wishes to bring same to the attention of the Patent and Trademark Office, so that same are made of record in the file of this patent.

Respectfully submitted,
